To make it as an actor in Hollywood, you've got to study your craft, throw yourself into every role and respect the tradition forged by yesterday's stars. It also helps to cheat a little on your resumé, hustle for auditions and do whatever it takes to meet the big shots. Executive produced by George Clooney and Steven Soderbergh, this series takes a humorous look at the raucous and often disillusioning lives of several young actors—Krista Allen, Bryan Greenberg and Jennifer Hall—as they try to hit the big time.
